RE: Grand Jury Final Report 2021-2022 Recommendations

We have received the Grand Jury report and recommendations for our district. Below are our responses to the recommendations given on page 34 of the report:

R1 – Per the Grand Jury’s recommendation, the Board of Directors will require a formal report within 30 days of CalFire inspections completed under HSC 13146.

R2 - The Fire Chief briefed the Board of Directors on the Grand Jury report and impact of its recommendations to our District.

R3 - The Olancho/Cartago Community Services District uses the State Fire Marshall for inspections.

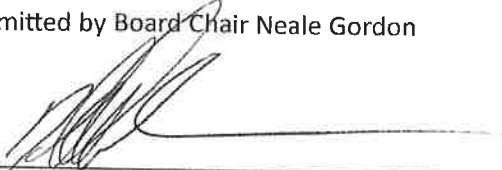

R4 - Our district does not have staff to perform inspections and therefore will provide the list of buildings to the State Fire Marshall for inspection.

R5 - Please provide details/clarifications regarding the information that is to be included in the department’s Annual Report as it relates to this recommendation.

R6 – Our district does not conduct the inspections and therefore inspections are not included in the budgeting process.

R7 – Not applicable to our district.
